

What has God called us to do?

The vision of Refuge Church is to be a refuge to a hurting world by connecting people to the power and presence of Jesus Christ. Our heartbeat is to be a spiritually healthy, life-giving, multi-ethnic, multi-generational and multi-socioeconomic church that truly looks like our community. Our prayer is to see at least 20,000 people experience a life-changing relationship with Jesus Christ over the next 20 years. The vision God has given us is huge, but we cling to Jesus words in Matthew 19:26, "Humanly speaking, it is impossible. But with God everything is possible."

How has God called us to do it?

Create worship experiences that are full of life, celebration, preparation and excellence that attract the presence of God.

Be a church of small groups that give people the opportunity to connect, make new friends, serve and grow in their faith.

Develop clear avenues for people to become more spiritually mature and live out their life purpose through serving Jesus Christ.

Make prayer and fasting central to who we are as a church; **always seeking God first.**

Provide extreme bedroom makeovers to terminally ill and sick children in our community.

By helping caregivers receive the soul care they need.

Use our facilities throughout the week to meet the needs of the community.

To have an online campus and utilize the internet to minister to people 24/7.

Provide transformational housing for individuals and families in our communities lacking stable housing

Create a full special needs preschool, children's, and student ministry that cares for spiritual, emotional, and physical needs.

Provide ministry in multiple languages to reach more people in North Alabama and around the world.

Fight food insecurity through large food distributions, markets, and hot meal ministries.

Launch life-giving Refuge Church campuses and support church planting domestically and internationally.

Create a world-class recovery and counseling center to help people find healing and freedom.

Develop a mobile medical clinic to provide free medical care to those in need.

Launch a ministry training college to train up the next generation of ministry leaders.

Hire a licensed social worker to help us care for people in our church and in our community.

Be a church that cares for pastors who have been hurt in ministry or need restoration.
